

MOBILE APP

We're launching a new Mobile App at the end of February! Much of the functionality of the new Mobile App is similar to the old app. It's a convenient way to check balances, transfer funds, and pay your bills.

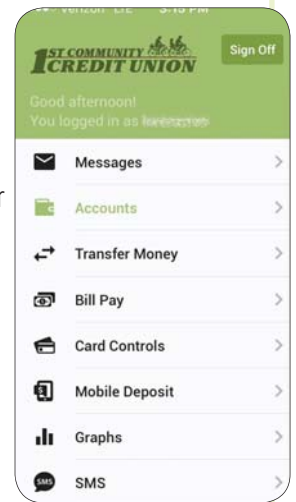

NOTE: You must be enrolled in Online Banking to use the new Mobile App. See Online Banking Login Instructions.

- On February 28th delete the old app: After the Computer Upgrade please delete the old 1st CCU Mobile App and download our new Mobile App from iTunes or Google Play. *(the name and icon are the same, search for 1st CCU Mobile Banking)*. Available for iPhones, Android devices, & Apple Watch.
- Log into the new Online Banking at least once PRIOR to logging into the Mobile App.
- Use the User Name and Password you established in the new Online Banking system to log into the New Mobile App.

New Features:

- Message Center: A convenient way to send a message to 1st CCU.
- Quick Balance: Set up this option for your most-used accounts! View balances without logging into the app.
- Cross-Accounts: You'll now be able view and transfer to your cross-accounts.
- Transfer To Another Member: A convenient way to transfer to family members, this option allows you to transfer from your account to another member's account at 1st CCU without setting them up as a cross-account. *(You must know the member's 8-digit account number, account ID such as 0000 or 0070, and name).*
- Fingerprint Authentication: Available on devices enabled to support this feature.
- Card Controls: Send Travel Notifications several days prior to leaving on your trip and we'll add Travel Notes to your card(s).
- SMS Banking: Register your mobile phone if you would like to be able to text "B" or "H" to SMS Mobile Banking and receive a return text with your account Balance or History.

COMING SOON!
